

KITTITAS COUNTY
Department: Developmental Disabilities

AGENDA STAFF REPORT

AGENDA DATE: October 19, 2010

ACTION REQUESTED: Review and sign Kittitas County/Elmview Contract and the County FY 2010 Spending Plan

BACKGROUND: This contract reflects the money available from the State of Washington, Division of Developmental Disabilities for services for people in Kittitas County who are developmentally disabled and their families. The majority of the funds are committed to providing employment services for people over the age of 21. Money is also available for community education and the support of families and family members.

The Spending Plan allocates the dollars available for the 2nd year of the biennium—2010-11.

The contract provides the framework for the delivery of services and establishes additional duties and responsibilities in support of people with developmental disabilities and their families in Kittitas County.

Elmview provides services for people with developmental disabilities through this contract for Kittitas County.
