

Kittitas County  
Solid Waste

**Agenda Staff Report**

**AGENDA DATE:**

11/2/2010

**ACTION REQUESTED:**

At this time I would like to Boards approval for the Chairman to sign Amendment #1 with the Department of Ecology.

**BACKGROUND:**

Kittitas County Solid waste received a grant from the Department of Ecology Air Quality Program to provide chipping services for Roslyn, and the City of Cle Elum and to do a burn barrel exchange program.

This amendment is to provide additional funds so chipping could be done for the City of Kittitas.

**INTERACTION:**

Department of Ecology and Solid Waste.

**RECOMMENDATION:**

I would recommend that the Board of County Commissioners approve the Chairman's signature on the Amendment with the Department of Ecology.

**HANDLING:**

Return two signed copies to Solid Waste.
