If the Lessee does not agree with the proposed rental rates for the subsequent five-year term, the Lessee may request arbitration. If the Lessee elects to arbitrate, the Lessee shall select one arbitrator and the Lessor shall select one arbitrator and the two so chosen shall select a third arbitrator. The arbitrators shall have the authority to increase the rent or continue the previous rental rate, and both parties shall be bound by the decision of the arbitrators. In the event the LESSOR shall elect to modify or terminate this lease, the LESSOR shall do so only upon ninety (90) days written notice, notifying LESSEE, and Lessee's address of record, that the lease to which this applied is being so modified or terminated.

Upon receipt of such notification, and in the event that the notification specified modification of lease short of termination, LESSEE shall have thirty (30) days in which to notify Kittitas County of LESSEE'S intention to continue the lease as modified or of LESSEE'S intention to treat the lease as terminated.

In the event that LESSEE elected to treat the lease as terminated, all rents shall be pro-rated to the date LESSEE shall have restored the premises to the LESSOR in accordance with the terms of the lease agreement governing LESSEE'S duties to restore the premises to LESSOR upon expiration of the lease term.

It is further agreed that either such modification or termination of this lease nor any subsequent re-letting of the premises, in whole or in part, shall give rise to any cause of action for damages or any other form or relief by LESSEE against LESSOR or any successor lessee.

In the event of such modification or termination, LESSEE understands that other than a refund of any unearned rent pro-rated based on years of lease to the date LESSEE has restored the premises to LESSOR, LESSEE shall have no claim for compensation as occasioned by said modification or termination.

The depreciation life of the improvement will be established at this time.**
- In the event of termination of lease or early termination of lease, all improvements placed on the premises by the LESSEE shall belong to the County, **EXCEPT for those authorized by written consent from the County.**
