INTERAGENCY AGREEMENT
Between
GRANT COUNTY HEALTH DISTRICT
And
Kittitas County Public Health Department
January 1, 2015 – September 29, 2017

THIS INTERAGENCY AGREEMENT is made and entered into pursuant to Chapter 39.34 RCW, the Inter local Cooperation Act, by and between the Grant County Health District, hereinafter referred to as "GRANT" acting as the Community Lead Organization (CLO) to coordinate the Healthy Communities Obesity, Diabetes, Heart Disease and Stroke Prevention Program and the Kittitas County Public Health Department hereinafter referred to as "PARTICIPANT", as funded by the Washington State Department of Health.

IT IS THE PURPOSE OF THIS AGREEMENT to provide a mechanism for the collaborative work, completion of deliverables, and transfer of funds necessary to carry out the priority health improvement initiatives associated with tobacco prevention and control in Central Washington.

IT IS, THEREFORE, MUTUALLY AGREED THAT:

Statement of Work

PARTICIPANT shall furnish the necessary personnel and services and otherwise do all things necessary for or incidental to the performance of the work set forth in Exhibit "A" attached hereto and incorporated herein. Unless otherwise specified, PARTICIPANT shall be responsible for performing all fiscal and program responsibilities as set forth in Exhibit "A."

Terms and Conditions

All rights and obligation of the parties to this contract shall be subject to and governed by the special terms and conditions contained in the text of this agreement.

Period of Performance

Subject to its other provisions, the period of performance of this agreement shall commence on January 1, 2015 and conclude on September 29, 2017 unless continued by written agreement or terminated sooner as provided herein.

In consideration whereof:

Upon receipt of a properly executed A-19 Invoice Voucher and complete billing documentation, GRANT shall pay to PARTICIPANT the reimbursed sum as agreed upon in Exhibit "A". Parties may mutually agree to additional sums and deliverables as additional funding is available.

Services and Reporting Requirements

PARTICIPANT will report to GRANT on any services and/or reporting requirements that may be required under this agreement.

Approved Expenses

Allowable expenses are for reasonable program purposes, including personnel, travel, supplies and services such as contractual (refer to circular A-87). The primary recipient must perform a substantial role in carrying out project objectives and not merely serve as a conduit for an award to another party or provider who may be ineligible. No expenses will be reimbursed for any lobbying efforts of any kind or for any clinical care. Any type of equipment purchase must be pre-approved by GRANT.

Indirect Costs and Line Item Budget Requirements

Indirect costs are limited to the organization's approved overhead rate. PARTICIPANT need not amend the budget if they anticipate going over in any line item within by less than 10 percent of total direct charges. However, if they anticipate going over by more than 10 percent of total direct charges for any line item they will be required to amend their budget before being refunded for costs that exceed 10 percent in respective line items.

Monitoring of fund allocation spending

There will be two check-in points (1) mid-year and (2) two months before statement of work end date:

- (1) At mid-year (May), GRANT will evaluate how much of the PARTICIPANT funds have been spent. If less than 30% of the funds have been billed, GRANT reserves the right to amend the contract and reduce the funding allocation.
- (2) Two months before the end of the statement of work deliverables, GRANT will evaluate how much PARTICIPANT funds have been spent. If less than 80% of the funds have been billed and if the PARTICIPANT doesn't have a reasonable explanation for how they will use the remainder of the funds, GRANT reserves the right to amend the contract and reduce the funding allocation.

Non-Discrimination

In the performance of this agreement, PARTICIPANT shall not discriminate on the grounds of race, color, national origin, sex, religion, marital status, age, creed, Vietnam era and disabled veterans status, or the presence of any sensory, mental, or physical handicap in:

- a. Any terms or conditions of employment to include taking affirmative action necessary to accomplish the objectives of this part; and
- b. Denying an individual the opportunity to participate in any program provided by this agreement through the provision of services, or otherwise afforded others.

Records Maintenance

PARTICIPANT and GRANT shall each maintain sufficient records to demonstrate that funds allocated under this contract have been expended in accordance with the terms and conditions of the Federal Healthy Communities Obesity, Diabetes, Heart Disease and Stroke Prevention Program Statement of Work guidelines and any federal terms and conditions that may apply.

Audit Requirements:

An organization that expends \$500,000 or more in a year in Federal awards shall have a single or program-specific audit conducted for that year in accordance with the provisions of OMB Circular A-133, Audit of States, Local Governments, and Non-Profit Organizations. The audit must be completed along with a data collection form, and the reporting package shall be submitted within the earlier of 30 days after receipt of the auditor's report(s), or nine months after the end of the audit period. The audit report must be sent to Federal Audit Clearing House; Bureau of the Census; 1201 East 10th St; Jeffersonville, IN 47132.

All duly authorized auditors or their representatives of the State of Washington and of the CLO, GRANT, shall have full access and the rights to examine any of these materials during this period, subject to confidentiality laws and regulations. These records shall be retained for five (5) years.

PARTICIPANT shall adhere to all other Federal Grant requirements.

Restrictions on Funds (what funds can be used for which activities, not direct payments, etc):

1. Recipients may not use funds for research.
2. Recipients may not use funds for clinical care.
3. Recipients may only expend funds for reasonable program purposes, including personnel, travel, supplies, and services, such as contractual.
4. Recipients may not generally use HHS/CDC/ATSDR funding for the purchase of furniture or equipment. However, if equipment purchase is integral to a selected strategy, it will be considered. Any such proposed spending must be identified in the budget.
5. Recipients may not use funding for construction.
6. The direct and primary recipient in a cooperative agreement program must perform a substantial role in carrying out project objectives and not merely serve as a conduit for an award to another party or provider who is ineligible.
7. Reimbursement of pre-award costs is not allowed.
8. Recipients may not use funds for abortions in accordance with Executive Order 13535.

If requesting indirect costs in the budget a copy of the indirect cost rate agreement is required. If the indirect cost rate is a provisional rate, the agreement should be less than 12 months of age.

Agreement Alterations and Amendments

GRANT and PARTICIPANT may mutually amend this agreement. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind PARTICIPANT and GRANT.

Indemnification

Each party shall defend, protect and hold harmless the other party from and against all claims, suits and/or actions arising from any negligent or intentional act or omission of that party's employees, agency and/or authorized subcontractor (s) while performing this contract.

Termination

Except as otherwise provided in this agreement, either party may terminate this agreement upon 90 days written notification. If this agreement is so terminated, the termination party shall be liable only

for performance in accordance with the terms of this agreement for performance rendered prior to the effective date of termination.
