

\*\*\*\*\*NO FORM TO SIGN AS OF THIS MOMENT\*\*\*\*\*

At the time of the preparation of this staff report L&I has not completed the enrollment form, so I cannot give you a recommendation because I do not know what the form looks like. Because of the December 15, 2010 deadline, when the form is available can the Chairman sign the form, based upon our recommendation and then have the Board of County Commissioners ratify the signature at the December 21, 2010 agenda Session?
