

Kittitas County
Solid Waste

Agenda Staff Report

AGENDA DATE:

1/4/2011

ACTION REQUESTED:

Request Boards signature on the Professional Service Agreement with HWA to perform gas monitoring at the Ryegrass closed landfill.

BACKGROUND:

As part of the closure agreement with the Department of Ecology the county must have gas monitoring done yearly to measure how much methane and other gases are being released from the landfill.

INTERACTION:

HWA and the Solid Waste Department

RECOMMENDATION:

Recommend Boards signature on the Professional service agreement with HWA.

HANDLING:

Return two copies

LEAD STAFF:

Patti Johnson
