EXHIBIT "A"

SCOPE OF SERVICES

As requested by the project architect and Kittitas County, Utilities Plus LLC. is coordinating the activities outlined in this Scope of Services. Due to the uncertain nature of underground utility locations, the site conditions, and the conflicting information of existing records, Utilities Plus, LLC. shall exercise due diligence in accord with current industry standards and guarantees and warrants against its own negligence and that of its subcontractors as to the completeness or accuracy of the extent of utilities within the courtyard.

1. The County contacted the firm of Utilities Plus, LLC, who did the initial limited utility locations for the geotechnical engineer in September of 2010.
