

**BOARD OF COUNTY COMMISSIONERS
COUNTY OF KITTITAS
STATE OF WASHINGTON**

RESOLUTION NO. 2011-125

**TO RATIFY THE ~~VICE~~-CHAIR SIGNATURE FOR THE FEDERAL HIGHWAY
ADMINISTRATION (FHWA) AUTHORIZATION OF ENTRY TO CONDUCT
ENVIRONMENTAL INVESTIGATIONS AND CURATION OF ARCHAEOLOGICAL
SPECIMENS**

- WHEREAS:** FHWA authorized funding for safety enhancements to Teanaway and NF Teanaway Roads; and
- WHEREAS:** FHWA is performing the preliminary engineering and construction engineering for the project; and
- WHEREAS:** FHWA requires the County to sign and agree to the conditions of the Authorization of Entry to Conduct Environmental Investigations and Curation of Archaeological Specimens; and
- WHEREAS:** This agreement will authorize FHWA access to the County right-of-way for environmental and archaeological inspections; and
- WHEREAS:** This agreement will authorize FHWA to curate and store artifacts found within the right-of-way during their investigation.
- WHEREAS:** Kittitas County Public Works will return a signed original agreement to FHWA.
- NOW, THEREFORE BE IT RESOLVED** that the Board of County Commissioners, in the best interest of the public, does hereby authorize chair signature of the FHWA Authorization of Entry to Conduct Environmental Investigations and Curation of Archaeological Specimens related to Teanaway and NF Teanaway Roads.

DATED this 6th day of December, 2011, at Ellensburg, Washington.

**BOARD OF COUNTY COMMISSIONERS
KITTITAS COUNTY, WASHINGTON**

Paul Jewell, Chair

Alan Crankovich, Vice-Chair

Obie O'Brien, Commissioner

Clerk of the Board

Authorization of Entry to Conduct Environmental Investigations

and

Curation of Archaeological Specimens

I Paul Jewell hereinafter referred to as "Grantor," do hereby grant permission to the Western Federal Lands Highway Division (WFLHD) of the Federal Highway Administration the right to go upon the real property described below for the following purpose(s):

Purpose: To conduct environmental and archaeological investigations, including test excavations and to remove archaeological specimens and samples recovered during the excavations

Please check one of the following boxes.

Should any archaeological materials be recovered from my property:

- ☒ I authorize the WFLHD to permanently curate any such materials for scientific study and public display after the appropriate laboratory analysis has been conducted;
- ☐ I authorize a private curatorial facility, such as a local historical society or other university, to permanently curate any such materials (A letter from the facility stating they have the capability [meet federal curation standards] and willingness to curate the artifacts, photographs, and written records is needed) after the appropriate laboratory analysis has been conducted. Grantor will be responsible for arranging artifact curation;
- ☐ I choose to retain possession of the recovered materials after the appropriate laboratory analysis has been conducted. Government agencies cannot choose this box.

I understand that if any human remains, funerary objects, sacred objects, or objects of cultural patrimony are discovered during excavation that the WFLHD shall report the discovery to the appropriate Native American Tribe(s) and the State Historic Preservation Office to arrange for the return of any human remains or sacred objects to the appropriate Native American Tribe as per applicable laws and regulations.

Legal description of property: Teanaway & N.F. Teanaway Roads Kittitas Co.

Grantor hereby represents and warrants that they are the owners of said real property or otherwise have the right to grant this Right of Entry.
