

Kittitas County Commissioners

Agenda Staff Report

AGENDA DATE:

3/15/2011

ACTION REQUESTED:

County draft a letter consenting to Vantage and Puget Sound Energy entering into the Transfer Agreements.

BACKGROUND:

Vantage Wind Farm is set up so all the electricity produced by Vantage Wind Energy LLC is collected at a central location and then transferred to a point in which such electricity interconnects with, and is introduced to, the general electric grid. The property being transferred is 5.16 acres for the switchyard and 5 acres for the access road, and is depicted on the survey included. Pursuant to the interconnection agreement between Vantage Wind Farm and PSE, PSe controls the electrical facilities at the point of interconnect and Vangate is obligated to transfer ownership of both the facilities and the underlying real property interests over to PSE.

INTERACTION:

Deputy Prosecutor Neil Caulkins reviewed the documents provided by Invenergy.

RECOMMENDATION:

To draft and sign a letter consenting to the transfer.

HANDLING:

Direct staff to draft letter and send to Invenergy consenting to the transfer.

LEAD STAFF:
