

Kittitas County
Solid Waste
Agenda staff Report

AGENDA DATE:

6/15/2010

ACTION REQUESTED:

Kittitas County Solid Waste is requesting the signatures of the Board of County Commissioners to renew the Recycling Metal Contract, with BRC Inc.

BACKGROUND:

Kittitas County Solid Waste has work with BRC Inc. for the last several years. The last time we went out to bid, the metal recycling prices were high. We feel that we are getting a fair rate for our metal, and if we went out to bid that price may end up being less.

INTERACTION:

Reno Allphin and Kittitas County Prosecutors Office.

HANDLING:

Return two signed originals of the contract to Solid Waste.

LEAD STAFF:

Reno Allphin, Solid Waste Specialist.
