The Sheriff's Office received no request from Mr. Plouse to investigate or relieve him from his duty to register until May 21, 2010. Mr. Plouse's unlawful declarations support that he made no such requests and knew he was still bound by law to register.

As of May 19, 2011 no applications for building permits have been submitted by Mr. Plouse, or anyone else, for the property located at 271 Baker Lane in Easton. This and the Detective's observations of the property are in contrast of the claim that Mr. Plouse was, " building a new cabin" on the property.

The Sheriff's Staff acted in good faith and under color of law and we recommend denial of the claim.

Supporting documents are available.
