Such payment from the disposition of real property acquired with grant funds within 10-years of closeout of this Contract shall be treated as program income under Section 13 of these Special Terms and Conditions.

Contractor, defined as the primary participant and its principals, certifies by signing these Special Terms and Conditions that:

Funding in excess of the amount stipulated in **Attachment C, Letter to Incur Costs**, shall not be released to a Contractor by COMMERCE until the following conditions implementing 24 CFR part 58 are met:

- A. The Contractor must prepare an environmental assessment of the project and make a finding of environmental impact. A notice of this finding must be published along with a notice of the Contractor's intent to request release of funds for the project unless the project is exempt from the publication requirements as described. The Contractor must allow a seven (7) or fifteen (15) day period for public review and comment following publication of the notices unless exempt under the National Environmental Policy Act (NEPA) and the Washington State Environmental Policy Act (SEPA). When COMMERCE's public review and comment period expires, COMMERCE may, after considering any comments received, formally notify the Contractor in writing of the release of federal funds for the project.

In cases where Contractors must take action immediately, or within a time too short to allow full SEPA compliance, to avoid an imminent threat to public health or safety, to prevent an imminent danger to public or private property, or to prevent an immediate threat of serious environmental degradation, such actions are exempt from SEPA pursuant to WAC 197-11-880.

11. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- state the disputed issues;
- state the relative positions of the parties;

GENERAL TERMS AND CONDITIONS

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

25. PUBLICITY

The Contractor agrees not to publish or use any advertising or publicity materials in which the state of Washington or COMMERCE's name is mentioned, or language used from which the connection with the state of Washington's or COMMERCE's name may reasonably be inferred or implied, without the prior written consent of COMMERCE.

26. RECAPTURE

In the event that the Contractor fails to perform this Contract in accordance with state laws, federal laws, and/or the provisions of this Contract, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

30. SEVERABILITY

If any provision of this Contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Contract that can be given effect without the invalid provision, if such remainder conforms to the requirements of law and the fundamental purpose of this Contract and to this end the provisions of this Contract are declared to be severable.

31. SUBCONTRACTING

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

If COMMERCE approves subcontracting, the Contractor shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, COMMERCE in writing may: (a) require the Contractor to amend its subcontracting procedures as they relate to this Contract; (b) prohibit the Contractor from subcontracting with a particular person or entity; or (c) require the Contractor to rescind or amend a subcontract.

In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.

GENERAL TERMS AND CONDITIONS

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

32. SURVIVAL

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

33. TAXES

All payments accrued on account of payroll taxes, unemployment contributions, the Contractor's income or gross receipts, any other taxes, insurance or expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

34. TERMINATION FOR CAUSE / SUSPENSION

In event COMMERCE determines that the Contractor failed to comply with any term or condition of this Contract, COMMERCE may terminate the Contract in whole or in part upon written notice to the Contractor. Such termination shall be deemed "for cause." Termination shall take effect on the date specified in the notice. In the alternative, COMMERCE upon written notice may allow the Contractor a specific period of time in which to correct the non-compliance. During the corrective-action time period, COMMERCE may suspend further payment to the Contractor in whole or in part, or may restrict the Contractor's right to perform duties under this Contract. Failure by the Contractor to take timely corrective action shall allow COMMERCE to terminate the Contract upon written notice to the Contractor.

"Termination for Cause" shall be deemed a "Termination for Convenience" when COMMERCE determines that the Contractor did not fail to comply with the terms of the Contract or when COMMERCE determines the failure was not caused by the Contractor's actions or negligence.

If the Contract is terminated for cause, the Contractor shall be liable for damages as authorized by law, including, but not limited to, any cost difference between the original Contract and the replacement Contract, as well as all costs associated with entering into the replacement Contract (i.e., competitive bidding, mailing, advertising, and staff time).

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, COMMERCE shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

36. TERMINATION PROCEDURES

After receipt of a notice of termination, except as otherwise directed by COMMERCE, the Contractor shall:

Stop work under the Contract on the date, and to the extent specified, in the notice;

Place no further orders or subcontracts for materials, services, or facilities related to the Contract;

Assign to COMMERCE all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts. Any attempt by the Contractor to settle such claims must have the prior written approval of COMMERCE, and

Preserve and transfer any materials, contract deliverables and/or COMMERCE property in the Contractor's possession as directed by COMMERCE.

Upon termination of the Contract, COMMERCE shall pay the Contractor for any service provided by the Contractor under the Contract prior to the date of termination. COMMERCE may withhold any amount due as COMMERCE reasonably determines is necessary to protect COMMERCE against potential loss or liability resulting from the termination. COMMERCE shall pay any withheld amount to the Contractor if COMMERCE later determines that loss or liability will not occur.

The rights and remedies of COMMERCE under this section are in addition to any other rights and remedies provided under this Contract or otherwise provided under law.

GENERAL TERMS AND CONDITIONS

37. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by Authorized Representative of COMMERCE.
