

# Kittitas County Juvenile Probation

## Agenda Staff Report

**AGENDA DATE:**

8/2/2011

**ACTION REQUESTED:**

Ratify BOCC Chair's signature.

**BACKGROUND:**

Based upon legislative reduction our BECCA Contract allotment was reduced. It was not reduced below the ability to recover funds used within the County for our qualifying needs under the contract. The Administrative Office of the Courts is the State administering agency for the legislatively provided funds. Funds are provided for services related to BECCA Truancy, CHINS and At Risk Youth petitions to be administered locally by the Juvenile Court Administrator.

**INTERACTION:**

AOC requested urgent handling before end of the fiscal year. Presiding Superior Court Judge signed as it involves the application of judicial resources. BOCC Chair signed in anticipation of the Board reviewing at a later date.

**RECOMMENDATION:**

Move to ratify the Chair of the BOCC's signature.

**HANDLING:**

Advise JCA Holmes of action taken. A final signed original will be delivered to BOCC upon receipt from AOC.
