

Kittitas County Public Works

Agenda Staff Report

AGENDA DATE:

9/20/2011

ACTION REQUESTED:

Requesting the Board of County Commissioners to Approve Chair signature for the consultant agreement supplement #3 for the Airport Industrial Improvements Project.

BACKGROUND:

On January 7, 2010, Kittitas County signed an agreement with USKH to perform engineering consultation for the Airport Industrial Improvements project. The original contract fee equaled \$185,583. The first contract addendum did not result in additional costs to the county. The second addendum resulted in additional fee of \$23,996. Due to project evolution and budgetary constraints the cost for design services increased. The funds for the original negotiation and addendums were exhausted. We anticipate the consultant fee to finish the project to be additional \$24,050.

INTERACTION:

Public Works and USKH

RECOMMENDATION:

Move to approve the contract addendum with USKH

HANDLING:

Return one copy of the contract to Public Works

LEAD STAFF:

Doug D'Hondt
