

Kittitas County Juvenile Probation

Agenda Staff Report

AGENDA DATE:

10/4/2011

ACTION REQUESTED:

Request to approve a purchase of services agreement for juvenile offender Special Sex Offender Disposition Alternative (SSODA) services with qualified sex offender treatment provider Julie Crest.

BACKGROUND:

SSODA is a Disposition Alternative (sentencing option) for juveniles accused of certain statutorily defined sex offenses. Application of a SSODA disposition requires a legally proscribed evaluation and subsequent course of treatment be provided by a qualified therapist. Ms. Crest has been available to our juvenile court to provide those services for many years and is willing to continue providing those services as described in this document.

INTERACTION:

The Deputy Prosecuting Attorney assigned to provide legal review for the Juvenile Court has reviewed the document and approved its use as to form. The Presiding Judge has reviewed and approved the service agreement for application of Kittitas County Juvenile Court resources.

RECOMMENDATION:

Recommend the BOCC approve the Chair's signature on the obligating documents.

HANDLING:

Request return of two originally signed documents to JCA Holmes for Ms. Crest's signature and return of a fully signed agreement to the BOCC for records.

LEAD STAFF:

William Holmes
