Chairman Jewell indicated that the meeting was follow up to the Finance Study Session on Tuesday February 22, 2011 to clarify a budget amendment changing funds from Court Commissioner budget line to Judge Pro Tem. He discussed with the Board the reason for the request and referred to statue that guides what title individuals hired for Judge Pro Tem or Court Commissioner can be hired as. Explaining that is what led them to hire the new Court Commissioner as a Judge Pro Tem. He gave a brief background on the new hire and explained how this hiring is more like a contracted employee.

The Board thanked Judge Hurson for explaining it to them in a little more depth as to why the budget amendment was coming forward and also the change in title.
