

Kittitas County
Public Health Office

Agenda Staff Report

AGENDA DATE:

11/1/2011

ACTION REQUESTED:

The Board of County Commissioners approve a letter of intent for the health department to submit a full proposal to conduct a local public health demonstration project to improve adolescent vaccinations.

BACKGROUND:

The letter of intent to the Society for Adolescent Health and Medicine will allow the health department to apply for grant funds. The funds will be used to conduct a local public health demonstration project to improve adolescent vaccinations with the help of Central Washington University students.

INTERACTION:

Board of County Commissioners: Agenda Session November 1, 2011

RECOMMENDATION:

The Board of County Commissioners approve the letter of intent to submit a full proposal to conduct a local public health demonstration project to improve adolescent immunizations

HANDLING:

No handling notes needed.

LEAD STAFF:

Candi Blackford
