Subject: Re: Filing/Recording Reimbursement to City

Good Morning, Neil -

Our Public Works Department has pointed out the County's share of the recording fees for this transaction is \$175.00— not \$170.00 as previously stated.

\$390 – Auditor fees

40 – Treasurer fees (real estate excise tax affidavits) Pd by County.

Total fees: \$430.00 – Each entity pays \$215.00.

Balance due from County is \$175.00

Thanks for taking care of this reimbursement.
