

Kittitas County Public Works

Agenda Staff Report

AGENDA DATE:

11/15/2011

ACTION REQUESTED:

Resolution to Approve and sign a Scope of Work with USKH for the Airport Beacon Replacement Project.

BACKGROUND:

In September of 2011 the Bowers Field Beacon failed. The beacon is approximately 70 years old and parts/repairs are very difficult and costly. The Federal Aviation Administration (FAA) has approved funding from our AIP funds for this replacement to include Contract Administration, Design, and Construction. The FAA has approved funding in the amount of 95% to be reimbursed in 2012. The amount of the scope of work by USKH is \$17,420.00, this is for consultant costs only.

INTERACTION:

Public Works; FAA; USKH

RECOMMENDATION:

Move to Approve Resolution to sign a Scope of Work with USKH for the Airport Beacon Replacement Project.

HANDLING:

Return two originals to Public Works
