

Kittitas County Solid Waste

Agenda Staff Report

AGENDA DATE:

12/20/2011

ACTION REQUESTED:

Request Boards approval for the Chair to sign Change Order #2 with HWA GeoSciences Inc.

BACKGROUND:

Kittitas County Solid Waste has been working with HWA GeoSciences and the Department of Ecology to update the Post Closure Plan for the Ryegrass Landfill. During this process it was determined that additional test data was needed.

This Change Order is to allow HWA GeoSciences to do additional ground water monitoring and Gas Monitoring at the Ryegrass Facility.

INTERACTION:

HWA GeoScience and the Kittitas County Solid Waste

RECOMMENDATION:

Recommend Boards approval for the Chair to Sign Change Order #2 with HWA GeoSciences.

HANDLING:

Return two signed copies.

LEAD STAFF:

Patti Johnson
