

Kittitas County Solid Waste

Agenda Staff Report

AGENDA DATE:

12/20/2011

ACTION REQUESTED:

Request Boards signatures on the Professional Service agreement with Tri Valley Construction.

BACKGROUND:

Kittitas County has had an environmental survey done of the Armory Building and found that there was asbestos in gaskets in the existing HVAC system that need to be removed and lead in the old firing range that needs to be clean and the concrete encapsulated.

This work needs to be done before the Armory Remodel Project can begin.

INTERACTION:

Fulcrum Environmental, Tri Valley Construction, and the Prosecutors Office.

RECOMMENDATION:

Recommend Boards signature on the Professional Service Agreement.

HANDLING:

Return two signed copies.

LEAD STAFF:

Patti Johnson
