

Kittitas County
Solid Waste

Agenda Staff Report

AGENDA DATE:

2/22/2012

ACTION REQUESTED:

Request Boards approval for the Chair to sign the 2011 Annual Biosolids Report.

BACKGROUND:

Every year the Solid Waste Department is required to complete a Biosolid report for the previous year. This document is to be signed by a Responsible Official of the County.

In 2011 Kittitas County Solid Waste received 778,880 gallons of Septage in the Ryegrass facility lagoons.

INTERACTION:

Kittitas County Solid Waste

RECOMMENDATION:

Recommend Boards approval for the Chair to sign

HANDLING:

Return a signed copy to Solid Waste to forward to the Department of Ecology

LEAD STAFF:

Patti Johnson
