

Kittitas County
Public Health Office

Agenda Staff Report

AGENDA DATE:

4/17/2012

ACTION REQUESTED:

The Board of County Commissioners authorizes the CPG Offset Cycle Grant Certification and Agreement form signed by Commissioner Paul Jewell on April 11, 2012.

BACKGROUND:

The CPG Offset Cycle Grant Application was applied for by the Kittitas County Public Health Department to acquire long range high definition day and nighttime surveillance equipment. Kittitas County Public Health will work to determine maximum capabilities and limitations for the equipment during the testing phase for use while investigating solid and hazardous waste complaints and follow up enforcement.

INTERACTION:

Prosecuting Attorney's Office: Prosecuting Attorney's Office reviewed and approved grant application and the Certification and Agreement form.

RECOMMENDATION:

The Board of County Commissioners authorize the CPG Offset Cycle Grant Certification and Agreement form signed by Commissioner Paul Jewell on April 11, 2012.

HANDLING:

None

LEAD STAFF:
