MEMORANDUM

TO: Board of County Commissioners

FROM: Road Forman (Ryan Berge)

DATE: 05/08/12

SUBJECT: Whisky Dick Triathlon

I have reviewed the event application regarding the Whisky Dick Triathlon which is scheduled for July 29th 2012 from 6:00-1:00 p.m. BuDu Racing has held this event for many years in which we have volunteered with assisting them in traffic control. But, according to their application this year they have changed the route and are asking us to close Vantage highway in its entirety from #81 Road to the Vantage boat ramp. Due to the extremely high average daily traffic (ADT), the amount of man power, and the amount of signage needed it is not feasible for Public Works to approve of a closure of this magnitude. If Vantage highway is closed and still open to local traffic only I would approve this request, and also I don't see any problems with closing the boat ramp and parking area for the short duration in the a.m.

Here you go. I was actually working on this yesterday.

The applicant is working on getting there application into us. I don't see problem with them getting a permit prior to the event.

Re: Ellensburg Sprint

To Whom it May Concern:

In regard to the above mentioned project, I have the following comments:

- An event permit is not required from the Fire Marshal's Office for this event.
- After review of the event permit, I have found no life safety/fire code issues that need to be addressed by my department.

The intent of the IFC is to provide a reasonable level of life safety and property protection from the hazards of fire, explosion or dangerous conditions. If you have further comments or questions, please do not hesitate to contact me at 509-962-7000.

Sincerely,
