Hi James-

I reviewed Chapter 246-374. Based on how the law reads, I am going to shorten my event to 4.5 hours and open the doors at 5:30pm instead of 5pm. This will exempt me from this law as both conditions of attendance and duration need to be met. I have attached an amended front page of my application stating the timeframe of the event. Let me know if you have any other questions. Thanks.

Hello Bjorn,

We talked a while back about the event. When an event has an attendance of 2,000 or more for five hours or longer in duration a plan must be submitted to the local health officer for review and approval. We cannot provide the county with the ok for the event until we can review and approve a plan according to WAC 246-374.

Please let us know how we can assist you. If you would like to meet sometime to discuss the plan, please let us know. The sooner that you can develop a plan and submit it to our office the sooner we can review it to ensure requirements
