

KITTITAS COUNTY
Kittitas Valley Event Center

AGENDA STAFF REPORT

AGENDA DATE: June 19, 2012

ACTION REQUESTED: BOCC Signature on the Professional Service Agreement between Kittitas County and Belssas and Smith

BACKGROUND:

Sargent Engineering inspected a glu-lamb beam in the Berry's Building after a crack was identified in the beam. Sargent Engineering provided design and recommendations for repairing the glu-lamb beam in question. During a regularly scheduled Maintenance Study Session – Director Anderson received direction from the BOCC to have the beam repaired. Using the small works roster, Director Anderson solicited bids contractors. Bellsass returned the low bid and enabling have been provided. The cost of the repair is \$3940.0+tx.

INTERACTION:

Paul Sander has reviewed the Professional Services Agreement
Belsaas has signed the Professional Services Agreement

RECOMMENDATION:

I recommend that the Board of County Commissioners sign the Professional Service Agreement between Kittitas County and Belsaas and Smith to repair the beam in the Berry's Building per the design recommendations from Sargent Engineering.

HANDLING:

Return copy of signed document to KVEC

ATTACHMENTS:

Professional Service Agreement between Kittitas County and Belsaas and Smith
