

KITTITAS COUNTY
DEPARTMENT OF PUBLIC WORKS

AGENDA STAFF REPORT

AGENDA DATE: July 3, 2012

ACTION REQUESTED: Approve Chair signature for the Washington Department of Ecology construction storm water permit transfer of coverage.

BACKGROUND: Kittitas County received a construction storm water permit needed for the Nelson Siding Road Safety Improvement project. The construction contract specified the County transfer the permit to the contractor once construction commences. State law requires all permitting activities be signed by a ranking elected official. Signature authority cannot be delegated to an appointed official.

INTERACTION: Public Works

RECOMMENDATION: Approve Chair signature for the stormwater permit transfer of coverage for the Nelson Siding Road Safety Improvement Project.

HANDLING: Return the original permit transfer of coverage and one copy of the Resolution to Public Works

ATTACHMENTS: Resolution for Chair to sign the storm water permit transfer of coverage and transfer of coverage

LEAD STAFF: Douglas D'Hondt
County Engineer
