AGENDA STAFF REPORT

AGENDA DATE: July 17th, 2012

ACTION REQUESTED: BOCC Signature on the Professional Service Agreement between Kittitas County and Reecer Creek Excavating

BACKGROUND:

The request for quotes, using the small works roster for demolition and removal of buildings and structures from 803 N. Maple and 913 E 8th was completed on May 7th. Reecer Creek Excavating (RCE) submitted an quote of \$16,400 plus tax for the demolition and removal of said structures. This will also include grading the lots, capping the sewer lines, and securing all other necessary permits.

At the July 12th regular study session, Director Anderson received direction from the BOCC to prepare a PSA with RCE to complete the work.

INTERACTION:

RCE has the contract and at this time the County is awaiting signature.

RECOMMENDATION:

I recommend that the Board of County Commissioners sign the Professional Service Agreement between Kittitas County and Reecer Creek Excavation

HANDLING:

Return copy of signed document to KVEC
