AGENDA STAFF REPORT

AGENDA DATE: August 7, 2012

ACTION REQUESTED: Authorize the solicitation of bids for the Hanson Road Repair Project upon receipt of Federal Highway Administration Funding

BACKGROUND: Hanson Road received severe damage as a result of the extensive flooding on May 15, 2011. The Department of Public Works has prepared plans, specifications, drawings and bid documents to facilitate a repair project and has applied for Federal Highway Administration emergency relief funding of same.

That funding is being finalized by the County Engineer and is expected soon.

Because the construction season is currently underway and scheduling requires the earliest possible call for bids, Public Works recommends that the Board of County Commissioners authorize and advertise a Call for Bids upon receipt of FHWA funding.
