**ACTION REQUESTED:**

Request to approve signature to seventh amendment to the Juvenile Accountability Block Grant

**BACKGROUND:**

Kittitas County Juvenile Court has received federal pass through (via DSHS/JRA) dollars for a Juvenile Accountability Block Grant to perform our Responsibility, Education, Accountability, Deterrence (R.E.A.D.) program since the original contract was established 9/1/2006. This amendment is to grant additional funding for the FFY beginning 9/1/2012. Our R.E.A.D. program includes: a Community Service Work Crew Program, Urinalysis testing, Restorative Justice intervention and supplies to support those programs.

**INTERACTION:**

The amendment document was reviewed and approved as to form by the County legal advisor for our department. The Presiding Judge signed there by indicating approval of the Juvenile Court resources for the grant purposes.

**RECOMMENDATION:**

Approve the BOCC Chair's signature to obligate County funding and receive federal funds passed through the state.

**HANDLING:**

Request return of both signed documents for signature by granting authority and return of one signed document to the County Commissioners' records keeping.
