

SUBRECIPIENT AGREEMENT FOR CDBG PUBLIC SERVICES

SUBRECIPIENT AGREEMENT FOR CDBG PUBLIC SERVICES

THIS AGREEMENT is between the local government CDBG recipient **Kittitas County** (herein called the Local Government) and **HopeSource** (herein called the Subrecipient) for public services funded by the state Community Development Block Grant (CDBG) Program.

As the Washington State Department of Commerce (Commerce) is authorized by the federal Department of Housing and Urban Development (HUD) to provide funds to units of local government selected to undertake and carry out certain activities and projects under the Washington State CDBG Program in compliance with all applicable local, state, and federal laws, regulations and policies; and

As the Local Government has applied for and received a CDBG award, contract number 11-64100-005 to fund public services; and

As it benefits the Local Government to engage the Subrecipient to accomplish the Scope of Work and the objectives of the local CDBG project;

The parties agree that:

1. SCOPE OF WORK

A. Local Government Responsibilities

The Local Government is responsible for administration of the CDBG contract, and ensuring CDBG funds are used in accordance with all program requirements [(24 CFR 570.501(b))] and its CDBG contract with Commerce referenced above. The Local Government will provide such assistance and guidance to the Subrecipient as may be required to accomplish the objectives and conditions set forth in this Agreement.

B. Subrecipient Responsibilities

The Subrecipient shall complete in a satisfactory and proper manner as determined by the Local Government the tasks described in the attached Scope of Work and Budget to accomplish the objectives of the CDBG project.

The Subrecipient will periodically meet with the Local Government to review the status of these tasks.

2. TIME OF PERFORMANCE

The time of performance for this Agreement will begin the date the parties sign and complete execution of this agreement for funding available as of the effective date established by the Local Government's CDBG contract, and will be in effect for the time period during which the Subrecipient remains in control of CDBG funds or other CDBG assets.

3. BUDGET

The Subrecipient shall follow the budget approved by Commerce and the Local Government and attached to this Agreement (Attachment #2). The Local Government may require a more detailed budget breakdown, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the Local Government. Any amendments to the budget must first be determined by the Local Government as consistent with its CDBG contract with Commerce and then approved in writing by the Local Government and the Subrecipient.

4. PAYMENT

The Local Government shall reimburse the Subrecipient in accordance with the public services payment procedures provided by the CDBG Program for all allowable expenses agreed upon by the parties to complete the Scope of Work.

Reimbursement under this agreement will be based on billings, supported by appropriate documentation of costs actually incurred. It is expressly understood that claims for reimbursement will not be submitted in excess of actual, immediate cash requirements necessary to carry out the purposes of the Agreement. Funds available under this Agreement will be utilized to supplement rather than supplant funds otherwise available.

The Local Government may pay the Subrecipient for overtime, extra-pay shifts, and multi-shift work only with prior approval. Exceptions are as follows:

- 1) When necessary to cope with emergencies, such as those resulting from accidents, natural disasters, breakdowns of equipment, or occasional operational bottlenecks of a sporadic nature.
- 2) When employees are performing indirect functions, such as administration, maintenance, or account.
- 3) In the performance of tests, laboratory procedures, or other similar operations which are continuous in nature and cannot reasonably be interrupted or otherwise completed.
- 4) When lower overall cost to the federal Government will result.

It is understood that this Agreement is funded in whole or in part with CDBG funds through the Washington State CDBG Program as administered by Commerce and is subject to those regulations and restrictions normally associated with federally-funded programs and any other requirements that the state may prescribe.

5. PERFORMANCE MONITORING

The Local Government will monitor the performance of the Subrecipient as outlined in the Scope of Work (Attachment #1 to this Agreement) by tracking project progress, reviewing payment requests for applicable costs, managing the timely pass-through of CDBG funds, overseeing compliance with CDBG requirements, and ensuring recordkeeping and audit requirements are met. Substandard performance as determined by the Local Government will constitute noncompliance with this Agreement.

If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Local Government, contract suspension or termination procedures will be initiated.

6. SPECIAL CONDITIONS
