

Kittitas County Juvenile Probation

Agenda Staff Report

AGENDA DATE:

12/4/2012

ACTION REQUESTED:

Move to have BOCC Chair sign the Amendment for Detention Services.

BACKGROUND:

DSHS/Juvenile Rehabilitation Administration (JRA) receives youth from custody in our contracted juvenile detention facility (Yakima Co.) when youth are committed to JRA as a result of disposition for finding of guilt for criminal offenses by the Kittitas County Juvenile Court. JRA has assumed costs for the incarceration once commitment paperwork has been accepted. There has not been a previous contractual agreement for the assumption of costs in the past. All Washington State Juvenile Courts have received a similar agreement.

INTERACTION:

We questioned the obligation of the agreement as originally written as the original language did not appear to reflect obligations for counties without their own detention facility. Our legal advisor offered acceptable language to address that issue which JRA found acceptable.

RECOMMENDATION:

Accept the document by motion and subsequent signing of the agreement by the BOCC Chair.

HANDLING:

Request 3 documents with original signatures be provided to JCA Holmes for completion via JRA.
