

Kittitas County  
Solid Waste

**Agenda Staff Report**

**AGENDA DATE:**

12/18/2012

**ACTION REQUESTED:**

Boards signature on the Agreement with HWA Geosciences to do well testing and reporting at the Ryegrass landfill.

**BACKGROUND:**

Under RCW 173.350 and 173.351 ground water monitoring is required on the closed landfill and the Limited purpose landfill. HWA has been working with us to meet the annual testing and reporting requirements of the RCW.

**INTERACTION:**

HWA GeoSciences and Solid Waste

**RECOMMENDATION:**

Recommends Boards signature on the Professional services agreement with HWA GeoScieinces.

**HANDLING:**

Return a signed copy to Solid Waste

**LEAD STAFF:**

Patti Johnson
