Chair O'Brien,

Please accept this letter as recommendation to appoint C.L. Clarke to the Kittitas County Fair Board position left vacant by Michael Panattoni.

All four candidates interviewed well however, at this time the Fair Board felt that Ms. Clarke was the candidate that garnered the majority of board votes.

We felt since one candidate would not be available Labor Day weekend, one would be graduating from high school in June and well frankly the third was a real close second. We will offer these remaining candidates other positions in the fair world such as Assistant Superintendant or Superintendant in 4-H or Open Divisions.

Thank you very much for considering our recommendation

Roylene Crawford, President
Kittitas County Fair Board of Directors
