

# Kittitas County Noxious Weed Control Board

## Agenda Staff Report

**AGENDA DATE:**

6/18/2013

**ACTION REQUESTED:**

Approval of Resolution Authorizing amendment of Interagency Agreement between Kittitas County Noxious Weed Control Board and Washington State Parks and Recreation Commission

**BACKGROUND:**

The Kittitas County Noxious Weed Control Board has had in place an interlocal agreement with Washington State Parks and Recreation Commission for undesirable plant surveys and weed control work at Helen McCabe and Iron Horse State Parks since 2007. The current interlocal is scheduled to expire June 30, 2013 and State Parks has requested an extension for another two years.

This interlocal agreement has been beneficial toward noxious weed control in Kittitas County, allowing the Weed Board to oversee weed control operations along these vectors of weed dispersal and prescribe weed control operations on State Parks land that is satisfactory to both parties.

**INTERACTION:**

Washington State Parks has submitted a two-year interlocal agreement extension to the Weed Board for signature. The Interlocal Agreement has been reviewed and approved by the Prosecutor's Office, the Auditor's Office, and the Kittitas County Noxious Weed Control Board.

**RECOMMENDATION:**

I recommend that the Kittitas County Board of County Commissioners sign the Resolution Authorizing Execution of Interagency Agreement IA 113-025 between the Kittitas County Noxious Weed Control Board and the Washington State Parks and Recreation Commission

**HANDLING:**

Todd Davis will submit a signed original contract to the Clerk of the Board.
