BARS Revenue Codes for 2012

Revenue Codes for Indirect Federal Grants (Non-ARRA) Administered by the DOH

All BARS revenue codes for federal grants use abbreviated versions of the numbers assigned by the federal government in the Catalog of Federal Domestic Assistance (CFDA). All CFDA codes are in two parts, the first two digits identify the federal agency where the funding originates, and the last three identify the grant program itself. Refer to BARS Manual (Part 1, Chapter 3) for more details.

Effective 1-1-2012, the Washington State Auditors Office (WSAO) has simplified the method for assigning BARS Revenue Codes for pass-through grants. The seven digit BARS Revenue Code for Indirect Federal Grants will use the following methodology:

Digits 1-3: will be 333

Digits 4-7: will use the first **FOUR** digits of the CFDA number, including U.S. DHHS (CFDA #s starting with 93.xxx).

The following is a listing of the 2012 BARS Revenue Codes for all DOH federal grants as of May 2012, and a crosswalk to the old 2011 BARS Revenue Codes. Remember, you may not be participating in all of the following programs.

BARS Revenue Codes for 2012

Revenue Codes for ARRA Indirect Federal Grants Administered by the DOH

All BARS revenue codes for federal grants use abbreviated versions of the numbers assigned by the federal government in the Catalog of Federal Domestic Assistance (CFDA). All CFDA codes are in two parts, the first two digits identify the federal agency where the funding originates, and the last three identify the grant program itself. Refer to BARS Manual (Part 1, Chapter 3) for more details.

Effective 1-1-2012, the Washington State Auditor's Office (WSAO) has simplified the method for assigning BARS Revenue Codes for pass-through grants. The seven digit BARS Revenue Code for ARRA Indirect Federal Grants will use the following methodology:

Digits 1-3: will be 339

Digit 4: will be 2

Digits 5-7: will use the first **THREE** digits of the CFDA number.

The following is a listing of the 2012 BARS Revenue Codes for all DOH ARRA federal grants as of May 2012, and a crosswalk to the old 2011 BARS Revenue Codes. Remember, you may not be participating in all of the following programs.

All federal grants or subgrants must be treated and reported on separately, even if it has the same BARS code as another subgrant. In addition to the regular reporting of a federal subgrant, ARRA reporting also requires additional reporting of worker hours funded and project completion information on a quarterly basis. This latter reporting requirement is unique to ARRA grants and is not related to annual BARS reports.
