

Kittitas County Juvenile Probation

Agenda Staff Report

AGENDA DATE:

8/20/2013

ACTION REQUESTED:

Move to approve BOCC Chair's signature to approve financial obligation of detaining juveniles at Yakima County Juvenile Court Detention facility.

BACKGROUND:

It is a mandatory function of counties in Washington to provide detention for dependent, wayward and delinquent children, separate and apart from the detention facilities for adults. Kittitas County does not maintain such a facility and has contracted with Yakima County for those services. This document is a regular reflection of that arrangement.

INTERACTION:

The document was provided by Yakima court officials after review of their legal counsel. This Juvenile Court Administrator reviewed the conditions and clarified minimal changes then followed Kittitas County process for contract review. The Presiding Judge of Kittitas County Superior Court will be signatory to the document.

RECOMMENDATION:

Recommend the BOCC approve the Chair's signature on two originals.

HANDLING:

Superior Court Presiding Judge will be presented the documents for signature then Yakima County authorities signatures will be obtained by JCA and a final, fully signed document will be delivered to the Commissioners records for retention.
