

Kittitas County Fairgrounds

Agenda Staff Report

AGENDA DATE:

2/2/2010

ACTION REQUESTED:

Recommend signing resolution no 2010- XX to forgive uncollectible debt

BACKGROUND:

Going back to as late as 2001 there have been a handful of debts that we have not been able to collect. Most debts have been from NSF checks that did not clear. The Event Center pursues outstanding debts up to 120 days prior to turning over to a collection. Evergreen will pursue collections on debts until they are collected, or they notify us that they have become "Uncollectable" as determined by Evergreen, or the statute of limitations have been exceeded.

INTERACTION:

Bookkeeper Brenda Barker and Judy Pless have concurred that the debts are uncollectable and would be in the best interest of the county to be forgiven.

RECOMMENDATION:

Sign Resolution NO. 2010 ____ to forgive \$2,403.90 in uncollectible debt

HANDLING:

CC Judy Pless

CC Brenda Barker
