15.2 New employees shall complete a six (6)-month probation period and be added to the seniority list six (6) months after their date of hire. All employees will be classified as regular employees upon completion of their probation and credited for service during that time.

15.3 An employee's continuous service record shall be broken by voluntary resignation, layoff for a period of more than one (1) year, discharge for just cause and retirement. During a layoff, an employee will not accrue seniority. If the employee is recalled within one (1) year the employee will not lose seniority accrued before layoff.

ARTICLE XVI - JOB POSTINGS

16.1 The Employer shall be the sole determiner of the need or necessity for filling any vacancy or newly created position.

16.2 If the Employer determines that a vacancy or new position should be filled, notice shall be posted at each shop and may be publicly advertised. Employees within the bargaining unit shall have a minimum of five (5) working days in which to file an application for the posted

position.

16.3 The Employing Official shall have the right to select the individual applicant most qualified for the position. Should two (2) or more applicants be equally qualified and able to perform the duties of the position, preference shall be given to the regular employee with the greatest seniority.

16.4 In the event that a regular employee accepts the open or new position, the first twenty (20) working days shall be a trial service period. The employee may elect to revert to their previously held position during the trial service period.

The Employing Official shall make the final determination as to whether or not an employee fails to meet the job standards within the trial service period. The Employing Official may return an employee to their previous position at any time during the trial service period if the Employing Official determines that said employee is not capable of meeting the job standards or properly performing the work.

ARTICLE XVII- FAMILY & MEDICAL LEAVE

17.1 Under the terms of The Family and Medical Leave Act of 1993 (FMLA), Title 29, Part 825 of the Code of Regulations, employees may request leave without pay under the following conditions:

1. For the birth of a son or daughter, and to care for the newborn child;
2. For placement with the employee of a son or daughter for adoption or foster care;
3. To care for the employee's spouse, son, daughter, or parent with a serious health condition; and
4. Because of a serious health condition that makes the employee unable to perform the functions of the employee's job.

17.2 Consistent with FMLA and adopted regulations, employees are entitled to request leave without pay for up to twelve (12) weeks within a twelve (12) month period. The twelve (12) month period shall be defined as a calendar year commencing January 1. The employer will require the employee to first use and exhaust all paid leave available to the employee as part of any Family and Medical Leave. All requests for leave and any other notices regarding FMLA shall be in writing. This section shall be consistent with the FMLA and adopted regulations, and is not intended to expand upon the rights set forth in said Act or regulations.

17.3 Following the exhausting of the initial 12-week FMLA period, employees with a remaining sick leave balance will be allowed continued access to that leave in instances of their

illness or that of an immediate family member.

ARTICLE XVIII - MILITARY LEAVE/JURY DUTY/LEAVE OF ABSENCE

18.1 Every employee covered by this agreement who is a member of the Washington National Guard or of the army, navy, air force, coast guard, or marine corps reserve of the United States, or of any organized reserve or armed forces of the United States shall be entitled to, and shall be granted, military leave of absence from employment for a period not exceeding twenty-one (21) days during each year beginning October 1st and ending the following September 30th. Such leave shall be granted in order that the person may report for active duty, when called, or take part in active training duty in such manner and at such time as he or she may be ordered to active duty or active training duty. Such military leave of absence shall be in addition to any vacation or sick leave to which the employee might otherwise be entitled, and shall not involve any loss of efficiency rating, privileges, or pay. During the period of military leave, the employee shall receive from the Employer the employee's regular rate of pay for their permanent classification. A copy of the orders will be attached to the employee's timesheet.

18.2 An employee who is called for jury duty shall receive from the Employer the difference between their regular pay and the compensation received for jury duty for the actual time he or she is required to be absent from work because of such jury duty. Any such absence shall not be counted as accumulated sick leave or annual leave.

18.3 A leave of absence is granted at the discretion of the Employer.

18.3.1 Accrued vacation leave and personal holidays shall be used before any unpaid leave of absence can be authorized. Accrued sick leave shall only be used prior to authorizing an unpaid leave of absence in situations identified as acceptable uses under article XIII of this Agreement

18.3.2 Authorized unpaid leaves of absence shall not interrupt prior or continuous employment; however, the employee shall not be credited with earning annual leave, sick leave, holiday pay, or any other benefits during the period of authorized unpaid leave of absence. Unpaid leaves of absence will extend the probationary period of employment.

18.3.3 Subject to the terms, conditions, and limitations of the applicable plans, health insurance premiums will not be paid by Kittitas County during the course of unpaid leave of absence except as provided under FMLA and state law. Premium benefits paid by Kittitas County will be prorated to the percentage of hours actually worked. The employee will be responsible for the difference between the county-paid prorate cost and the full premium amount.

ARTICLE XIX- HEALTH AND WELFARE

19.1 The Employer participates in an insurance trust with the Washington Counties Insurance Fund, which provides a choice of major medical, dental, vision, and basic life insurance plans for employees of the County.

19.1.1 Effective January 1, 2010, the Employer agrees to contribute \$675.46 per employee per month for benefit premiums and contributions to be used to purchase employee healthcare coverage (medical, dental, vision, and basic life) through the Washington Counties Insurance Fund. Any monies not required for employee healthcare coverage may be designated by the employee to purchase dependent healthcare coverage (medical, dental, vision, and basic life) through the Washington Counties Insurance Fund.

19.1.2 Effective January 1, 2011, the employer agrees to contribute the set dollar amount determined to be the baseline for the 2011 budget by the Board of County Commissioners. It is agreed that this amount will be equivalent to the amount granted to non-bargained employees including elected officials, and not lower than the 2010 contribution of \$675.46.

19.1.3 Effective January 1, 2012, the employer agrees to contribute the set dollar amount determined to be the baseline for the 2012 budget by the Board of County Commissioners. It is agreed that this amount will be equivalent to the amount granted to non-bargained employees including elected officials, and not lower than the 2010 contribution of \$675.46.

Purchase of employee healthcare coverage is mandatory in all areas offered through the Washington Counties Insurance Fund (medical, dental, vision, and basic life). Purchase of dependent healthcare coverage is optional.

The County contribution may be directed into any cafeteria qualified plan adopted by the County during the length of the contract. Any monies remaining after being applied to mandatory employee coverage and optional dependent coverage shall be contributed to an HRA VEBA program. All dependent healthcare premium must be paid prior to contributing to VEBA.

A Health Reimbursement Arrangement (HRA) is one type of Voluntary Employees' Beneficiary Association (VEBA) plan allowed under the Internal Revenue Code. HRA VEBA is a pre-retirement and post-retirement health reimbursement account. Participants may submit claims for health-related expenses and premiums that qualify under IRS regulations.

19.2 Provision 19.1 is contingent upon the continued availability of the specific coverage programs through the Washington Counties Insurance Fund.

19.3 The Employer agrees to retain the Social Security benefits during the life of this Agreement.

19.4 The Washington Health Service Act of 1993, or subsequent state or federal legislation may require the parties to this agreement to alter pertinent sections of the agreement. Should any state or federal legislation require an increase or decrease in insurance coverage or require a greater monetary contribution on the part of the County during the term of this agreement, the parties agree to reopen this agreement.

ARTICLE XX – TEMPORARY EMPLOYMENT

20.1 Temporary employees, including summer help, will be hired by the Employer as needed. The work may include but not limited to flagperson, scaleperson, engineering personnel (both technical and non-technical) and equipment operation. The temporary employees will work as directed by the Employer. The Employer will not place a temporary employee on a job that will displace a regular employee from work. All full time temporary appointments shall not exceed six (6) months duration in a twelve (12) month period. The use of inmates will be limited to equipment/shop clean-up and minimal groundskeeping.

ARTICLE XXI - DRUG TESTING

21.1 Purpose: The Employer has a strong commitment to provide a safe work environment for its employees and to establish programs promoting high standards of employee health and safety. Consistent with that commitment, this Agreement establishes prohibitions regarding alcohol and controlled substances and the right of the Employer to screen or test employees to determine the presence of alcohol and/or controlled substances. This is also in compliance with federal regulations regarding employees who possess a CDL as a condition of employment.

21.2 Prohibition Regarding Alcohol and/or Controlled Substances:

- A. The unauthorized use, sale, transfer or possession of alcohol, drugs, controlled substances and/or 'mood altering' substances (except the possession or use of prescribed medication, verifiable by a current, properly issued prescription) during work hours (including meal and rest periods), on County property, in County vehicles, or in personal vehicles while conducting County business is prohibited. Violation of this section of the Agreement is just and sufficient cause for immediate discharge.
- B. Reporting for work or becoming intoxicated during working hours through the use of alcohol, drugs (including prescribed medication), controlled substances and/or "mood altering" substances is prohibited. Violation of this section of the

Agreement will result in disciplinary action which may include discharge.

- C. An employee utilizing prescribed and/or “over-the-counter” medication(s) that could adversely affect job safety or performance must immediately report that fact to the employee’s supervisor. Knowledge of cautions and warnings printed on the medication container label are the sole responsibility of the employee. Consultation with the employee’s attending physician concerning the effects a substance may have on that employee may be appropriate.

In the event the employee does notify the Employer immediately upon reporting to work of the fact that such medication is being or will be taken, but does not immediately submit a physician’s release, the Employer may determine that the effects of any over-the-counter or prescribed medication may, under the circumstances, impair the employee’s ability to safely, properly, and effectively perform the employee’s duties and may decline to permit the employee to work until the effects of the medication subside to an acceptable level.

In cases where the employee is instructed by the Employer to remain off work due to the possible side-effects of over-the-counter or prescription medication, the employee may utilize earned, but unused, sick leave benefits in accordance with the terms of this Agreement.

Violation of this section of the Agreement will result in disciplinary action which may include discharge.

21.3 Current Employee Substance Abuse Testing:

The applicable substance abuse testing procedures outlined below will be initiated if one (1) or more of the following events occur:

- A. Management personnel concludes through objective observation, investigation and evaluation that an employee is under the influence or impaired by the use of alcohol, drugs and/or controlled substances; and this conclusion is confirmed by another supervisor, elected official or department head;
- B. Where an employee is involved in any accident due to the action, inaction or inattention of the employee;
- C. Where the Employer receives reliable information regarding involvement by the employee with alcohol and/or controlled substances based upon personal knowledge of another individual (such as other employees of the County, the medical community, law enforcement personnel, or residents of the County);
- D. Due to random testing pursuant to federal law.

All relevant facts pertaining to an investigation conducted pursuant to the above provisions will be documented in writing and preserved for future reference by the County and the Union.

21.4 Substance Abuse Testing Procedures

- A. The Employer shall provide the employee with a written form containing reference to the following information:
 - 1. The employee has been provided a copy of the Drug Testing Policy set forth in this Agreement.
 - 2. The employee is given the opportunity to indicate the use of any drugs, including over-the-counter or prescription medication currently being used and/or recently taken.
 - 3. The Employer will set forth facts pertaining to the reason for requesting the drug and/or alcohol test.
- B. The Employer will transport the suspected employee to a predetermined testing facility.
- C. The employee will be requested to submit to the testing procedures. The employee has the right to refuse to submit to the tests; however, refusal to submit to the tests will be grounds for discharge.
- D. The employee will provide a urine sample, a blood sample or breath sample for testing for controlled substance or alcohol.
- E. Collection of the specimens will be under the direction of qualified medical or law enforcement personnel. Collection of the specimens will take place as soon as possible following the observation, accident, incident or notification. The employee will cooperate fully in the collection of the specimens. Employee tampering with the specimens or refusal to submit to the test within a reasonable period of time will result in discharge. If the employee is physically unable to provide a urine sample, a blood sample will be drawn and analyzed by the laboratory. However, within twenty-four (24) hours following the drawing of the blood sample, the employee will submit to a urine test. If the employee fails to provide the urine sample within a twenty-four (24) hour time frame, that action will result in disciplinary measures which may include discharge.
- F. After collection of the specimens, the employee will be transported to the employee's residence or other safe location. The employee will be suspended from work with pay until the test results become available and are evaluated unless testing is random.
- G. All specimens will be forwarded to laboratories meeting State or Federal guidelines to conduct such tests. Strict adherence to the chain of custody requirements will be

followed during the transportation of the specimen to the laboratory. The laboratory will analyze the specimen. The laboratory will perform initial screening, and if positive results occur, confirmatory tests on the specimen. The confirmatory test shall be the GC/MS test. The laboratory shall maintain the specimen in accordance with State or Federal guidelines.

The laboratory will communicate the test results to the Employing Official. The Employing Official will evaluate those results, and confer with the Commissioners and Human Resource Director to determine the Employer's course of action. Within five (5) working days after receipt of a test result report, the Employer shall inform the employee in writing of the results.

- H. Test results will be kept confidential in a secure file outside the regular personnel files. Access to the file will be extremely restricted--only the County Commissioners, Employing Official and Human Resource Director, or designee, will have access. All records will be treated in the most confidential fashion by the Employer and the Union. Disclosures without employee consent may occur when:
 - 1. The information is compelled by law or judicial or administrative process.
 - 2. The information has been placed at issue in a formal dispute between the Employer and the prospective employee.
 - 3. The information is needed by medical personnel for the diagnosis or treatment of a patient who is unable to authorize disclosure.
- I. All costs associated with substance abuse testing, other than an independent analysis requested by the employee, will be paid by the Employer.
- J. Should analysis of the specimens indicate a negative level of a substance in an employee's system, the employee will be reinstated to the employee's former position.
- K. Should analysis of the specimens indicate a positive level of a substance in an employee's system, the Employer shall meet with the employee within five (5) days of the receipt of the result for the purpose of advising the employee of the result, and to provide the employee the opportunity for response to any potential disciplinary proceedings. The employee's response may include the following:
 - 1. The employee will have the right to submit further information relative to the test results.
 - 2. The employee may request a confirmatory re-test of the original sample at the employees own expense.

3. The employee may request a confirmatory re-test be conducted at a different certified laboratory, with the same drug or alcohol threshold detection levels as used in the original test. If the confirmatory re-test does not confirm the original positive test result, a third test shall be employed on the same specimen and the result of the third test shall be final. The cost of the third test shall be equally divided between the Employer and employee.
- L. Should analysis of the specimens described in Section (D) of this Agreement indicate a positive level of the substance in an employee's system, the Employer will have the following options:
1. Provide the employee an opportunity to enter into a Last Chance Agreement. Included in the Last Chance Agreement, the employee will be evaluated by a qualified drug/alcohol counselor to determine the extent of the employee's chemical dependency. If, in the opinion of the counselor, the employee requires rehabilitation services, the employee will be placed on a non-paid leave-of-absence for a period not to exceed ninety (90) days and enroll and complete a certified alcohol and/or drug rehabilitation program. An employee may use accumulated sick leave or vacation during this ninety (90) day period. If the employee successfully enrolls and completes the program within ninety (90) days, the employee will be reinstated to the employee's former position. The Employer reserves the right of concurrence on the selection of the rehabilitation counselor, facility and program content. Cost of the rehabilitation program will be paid by the employee or medical insurance provider (within contractual limitation). The employer will be provided semi-weekly written progress reports from the employee's counselor during the entire treatment program. The employee will be reinstated to the employee's former position when the following conditions have been met:
 - a. The employee has successfully completed the treatment program; and
 - b. The attending counselor has formally released the employee to return to work; and
 - c. The employee agrees to submit to substance abuse testing.

In addition to any testing done as part of the rehabilitation program, during the next twelve (12) months following reinstatement, the employee consents to be tested at random up to four (4) times for the presence of alcohol, drugs and/or controlled substances at any time, on a random basis notwithstanding any other provisions of this Agreement to the contrary. Any subsequent violation of this Agreement will be grounds for immediate discharge;

2. Discharge the employee.

21.5 Self-Recognized Substance Abuse: Employees with a substance abuse problem must immediately notify their supervisor of their condition. For evaluation purposes, a substance abuse test may be appropriate. If, in the opinion of a qualified drug/alcohol counselor, the employee requires rehabilitation services, the employee will have an option to enroll in a rehabilitation program and be subjected to the guidelines as outlined in Section 21.4(L)(1) above. Any employee who complies with the above requirements prior to a violation of this policy shall be immediately granted leave without pay in accordance with Section 21.4(L)(1) above.

ARTICLE XXII – EMPLOYER CONDUCTED SEARCHES

22.1 The Employer reserves the right to conduct searches of County property, vehicles or equipment at any time or place. Failure to cooperate with these procedures, without just cause, will be grounds for discharge.

ARTICLE XXIII – GRIEVANCE PROCEDURE

23.1 The parties hereto recognize the need for fairness and justice in the adjudication of employee, Union and/or Employer grievances and enter into this Agreement in a cooperative spirit to adjust such actions promptly and fairly at the lowest level possible. If, however, a grievance cannot be resolved through normal means, the grievance will be settled as hereinafter provided.

23.2 A grievance is defined as a dispute involving the interpretation, application or alleged violation of any provision of this Agreement.

23.3 Through the procedure as set forth in this Article, a grievance may be presented by an employee, Union or the Employer.

23.4 A grievance brought by the Employer shall be filed within ten (10) days of the event or occurrence by written notice to the President. Such a grievance will be heard by a joint meeting of the Employer and the Union within ten (10) working days of receipt of notice. If the issue is not resolved, the matter will be submitted to Step 4 of section 23.7 of this article.

23.5 The parties agree that the time limitations provided are essential to the prompt and orderly resolution of any grievance, and that each will abide by the time limitations, unless an extension of time is mutually agreed to in writing. The Employer or his designee and the employee or his/her representative may extend the time limits by mutual agreement in writing.

23.6 No grievance, other than grievances initiated by the Employer, shall be valid unless said grievance is submitted at Step 1, within ten (10) working days from its occurrence. If a grievance is not presented within ten (10) working days from its occurrence, said grievance shall be waived and forever lost. If a grievance is not appealed to the next step within the specified time limit or an agreed extension thereof, it shall be considered waived and forever lost.

23.7 The grievance procedure shall be as follows:

Step 1:

The grievance shall be presented in written form to the immediate supervisor within ten (10) working days from its occurrence. The immediate supervisor shall respond in writing within ten (10) working days after receiving said grievance.

Step 2:

If the grievance is not resolved to the satisfaction of the concerned parties at Step 1, then within ten (10) working days of the response in Step 1, above, the grievance, in written form, shall be presented to the Department Head. Thereafter, the Department Head shall respond in writing to the aggrieved employee within ten (10) working days after receipt of the grievance.

Step 3:

If the grievance is not resolved to the satisfaction of the concerned parties at Step 2, then within ten (10) working days of the response in Step 2, above, the grievance, in written form, shall be presented to the Board of County Commissioners. The parties shall arrange a meeting between the aggrieved employee(s), Union Representatives and the Board and County representatives within ten (10) working days for resolution of the issue. The Board of County Commissioners shall issue their findings in writing within ten (10) working days of the meeting referenced hereinabove.

Step 4:

- (a) Final and Binding Arbitration: If the grievance has not been resolved at Step 3, the Union or the Employer may refer the dispute to final and binding arbitration.
- (b) Notice - Time Limitation: The Union or the Employer shall notify the other in writing by certified mail of submission to arbitration within ten (10) working days after receipt of the Step 3 response.
- (c) Arbitration - Number - Selection: The Union and the Employer will attempt to select an arbitrator within twenty (20) calendar days after receipt of the written notice to arbitrate.

In the event the parties do not agree on an arbitrator, then either party may request that the Public Employment Relations Commission (PERC) submit a list

of ten (10) names from the register. Upon receipt of the ten names, the parties shall flip a coin to determine who will strike the first name, following which each will alternately strike one of the names submitted until only one name remains. This person will serve as the arbitrator subject to the following provisions.

(d) Decision - Time Limit:

(i) The arbitrator will meet and hear the matter at the earliest possible date after the selection of the arbitrator. After completion of the hearing, a decision shall be entered within thirty (30) calendar days, unless an extension of time is agreed upon.

(ii) Any decision by the arbitrator shall be binding on each party.

(e) Limitations, Scope and Power of Arbitrator:

(i) The arbitrator shall not have the authority to add to, subtract from, alter, change or modify the provisions of this Agreement.

(ii) The power of the arbitrator shall be limited to interpretation of or application of the terms of this Agreement or to determine whether there has been a violation of the terms of this Agreement by either the Employer or the Union.

(iii) The arbitrator shall consider and decide only the question or issue raised at Step 1 or Step 2, as determined by the step where the grievance was first initiated, and said arbitrator shall not have the authority to consider additions, variations and/or subsequent grievances beyond the grievance submitted at Step 1 or Step 2.

(iv) In conducting the hearing, the arbitrator shall have the power to administer oaths, issue subpoenas, receive relevant evidence, compel the production of books and papers relevant to the hearing, and question witnesses.

(f) Arbitration Award - Damages - Expenses:

(i) Arbitration awards shall not be made beyond the date of the occurrence upon which the grievance is based, that date being ten (10) working days or less prior to the initial filing of the grievance.

(ii) The arbitrator will retain jurisdiction of the grievance until such time as the award has been complied with in full.

(iii) The arbitrator shall not have authority to award punitive damages. Punitive damages do not include an award for lost wages, or lost benefits.

- (iv) In the event that either party evaluates and determines that the arbitration award was made beyond the jurisdiction of the arbitrator or that said arbitration award was clearly erroneous, or that said arbitration award was arbitrary, capricious and unreasonable in light of the evidence presented, then and in that event said award may be appealed to Superior Court. Said appeal shall be taken by either party within sixty (60) calendar days from the date of receipt of the written decision of the arbitrator.
- (v) Each party hereto shall pay the expenses of their own representatives, attorneys, witnesses, and other costs associated with the presentation of their case as well as one-half the expense of the neutral arbitrator.

ARTICLE XXIV - TERMINATION

This Agreement shall be in full force and effect for a period beginning January 1, 2010 through December 31, 2012.

Agreements reached between the parties to the agreement shall become effective only when signed by the President of Local 792, Representative of Washington State Council 2, and the Board of County Commissioners.
