

KITTITAS COUNTY PUBLIC WORKS

CHARLTON ROAD BRIDGE PROJECT:

Project Description: Kittitas County received funding from the Washington State Department of Transportation to replace the timber, single-lane Bridge over Naneum Creek on Charlton Road. Eight bids were received and opened on May 14, 2009. The low bid was submitted by MRM Construction of Ellensburg for \$437, 443.65.

Time Frame: Construction began in July, 2009 and is expected to be complete in early November.

Location: The Charlton Road Bridge is located at Milepost 0.99 to MP 1.03 on Charlton Road, between Wilson Creek Road and Naneum Road, northeast of the City of Ellensburg.

Progress: The superstructure is complete; approach embankments are constructed and approach asphalt paving is almost complete. MRM will most likely complete the project by the first of November.
