B. **Documentation and Record Keeping**

1. **Records to Be Maintained**
   The Subrecipient will maintain all records required by the Federal regulations specified in 24 CFR 570.506 that are pertinent to the activities to be funded under this Agreement and those records described in the CDBG Management Handbook. Such records will include but not be limited to:

General Purpose and Housing Enhancement Grants
Funding in excess of the amount stipulated in Attachment C, Letter to Incur Costs, shall not be released to a Contractor by COMMERCE until the following conditions implementing 24 CFR part 58 are met:

A. The Contractor must prepare an environmental assessment of the project and make a finding of environmental impact. A notice of this finding must be published along with a notice of the Contractor's intent to request release of funds for the project unless the project is exempt from the publication requirements as described. The Contractor must allow a seven (7) or fifteen (15) day period for public review and comment following publication of the notices unless exempt under the National Environmental Policy Act (NEPA) and the Washington State Environmental Policy Act (SEPA). Imminent Threat Grants
Funding shall not be released to an Imminent Threat grant recipient until the following conditions are met: The Contractor assures that assisted activities are for temporary or permanent improvements limited to the protection, repair or arrest of imminent threats to public health and safety or physical deterioration. The Contractor further assures that assisted activities will result in either no change or minimal change in the environmental conditions that existed prior to the emergency. In addition, the Contractor assures it will document, in writing, its determination that each activity or project is exempt and meets the conditions specified for such exemption under Section 58.34 of 24 CFR, Environmental Review Procedures for Title I CDBG Programs. In cases where Contractors must take action immediately, or within a time too short to allow full SEPA compliance, to avoid an imminent threat to public health or safety, to prevent an imminent danger to public or private property, or to prevent an immediate threat of serious environmental degradation, such actions are exempt from SEPA pursuant to WAC 197-11-880.

During the corrective-action time period, COMMERCE may suspend further payment to the Contractor in whole or in part, or may restrict the Contractor’s right to perform duties under this Contract. Failure by the Contractor to take timely corrective action shall allow COMMERCE to terminate the Contract upon written notice to the Contractor.

"Termination for Cause" shall be deemed a "Termination for Convenience" when COMMERCE determines that the Contractor did not fail to comply with the terms of the Contract or when COMMERCE determines the failure was not caused by the Contractor’s actions or negligence.

If the Contract is terminated for cause, the Contractor shall be liable for damages as authorized by law, including, but not limited to, any cost difference between the original Contract and the replacement Contract, as well as all costs associated with entering into the replacement Contract (i.e., competitive bidding, mailing, advertising, and staff time).

35. **TERMINATION FOR CONVENIENCE**
Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, COMMERCE shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

36. **TERMINATION PROCEDURES**
After receipt of a notice of termination, except as otherwise directed by COMMERCE, the Contractor shall:

Stop work under the Contract on the date, and to the extent specified, in the notice;

Place no further orders or subcontracts for materials, services, or facilities related to the Contract;

Assign to COMMERCE all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case COMMERCE has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts. Any attempt by the Contractor to settle such claims must have the prior written approval of COMMERCE, and

Preserve and transfer any materials, contract deliverables and/or COMMERCE property in the Contractor’s possession as directed by COMMERCE.

Upon termination of the Contract, COMMERCE shall pay the Contractor for any service provided by the Contractor under the Contract prior to the date of termination. COMMERCE may withhold any amount due as COMMERCE reasonably determines is necessary to protect COMMERCE against potential loss or liability resulting from the termination. COMMERCE shall pay any withheld amount to the Contractor if COMMERCE later determines that loss or liability will not occur.

The rights and remedies of COMMERCE under this section are in addition to any other rights and remedies provided under this Contract or otherwise provided under law.
37. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by Authorized Representative of COMMERCE.
