### SPECIAL MEETING GOLD BUCKLE CLUB WATER METER MAINTENANCE

At 1:30 p.m. Chairman Osiadacz opened a Special Meeting to consider a new water meter at the Gold Buckle Club and replace the water line.

Tim Egan, Maintenance Director reviewed bids he received for the water line at the Gold Buckle Club. He said he solicited bids from Salas, Excel Plumbing and McKinstry. Excel Plumbing was nonresponsive and although Salas' bid was the lowest bidder, they did not provide enough details even after they had been asked for them via email and phone. Mr. Egan said McKinstry's scope of work was detailed and they also know their quality of work. After speaking with Judy Pless, Finance Manager, they will need to do a budget amendment if they choose to move forward with the project.
