Dear Applicants,

Kittitas County Community Development Services has reviewed your boundary line application and would like additional information in regard to the following:

1. Existing and proposed acreages provided on your application do not match up correctly (the latter is less than what was started with by approximately 7 acres). Is this due to properties not being surveyed prior or something else? Please submit the existing and proposed boundary lines for this application with acreages for staff to review, or an explanation as to why the discrepancy in acreages exist.

Once staff receives this information, staff will continue processing your application. If you have any questions regarding this matter, I can be reached by e-mail at jeremiah.cromie@co.kittitas.wa.us

Sincerely,

Jeremiah Cromie
