Jamey:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application and has the following comments:

- Based on information presented in the application, DOH ODW defines the proposed public water system as a Group A water system, either “Nontransient, Noncommunity” (NTNC) or “Transient Noncommunity” (TNC) based on the proposed population having access to the water.
- DOH has the administrative authority regarding Group A public water systems.

If anyone has any questions or concerns, please contact DOH ODW.

Thanks,
