Ellensburg, WA 98926

D R Horton (DRH) is submitting the final plat for Black Horse at Whiskey Creek, Phase 2. Per RCW 58.17.140, the plat shall be approved, disapproved or returned to the applicant within 30 days from the date of filing, unless the applicant consents to an extension of the time period.

DRH has been made aware that the submittal of the plat today, June 23, 2023, would obligate Kittitas County to bring the plat to the Board Of County Commissioners (BOCC) on or before July 23, 2023 (presuming it is not returned or disapproved before that date). DRH has also been made aware that there will be no BOCC meeting in the last half of July, therefore the next available opportunity to bring the final plat to the BOCC would be at the August 1, 2023 meeting.

By this letter, D R Horton is consenting to the extension of the time period for approval of the final plat of Black Horse at Whiskey Creek, Phase 2 to August 1, 2023.
