Patrick,

Thanks for sending this. Your next steps would be to apply for a shoreline exemption permit, floodplain development permit and a LPG Tank permit.

I have attached the shoreline exemption permit form to this e-mail (note SEPA/JARPA/HPA) would not be required. I have also copied Joe Dietzel (Deputy Fire Marshal) and Arden Thomas (Floodplain Manager) to this e-mail that can help you with the other forms.

Dear Jeremiah

We met at your office about 2 weeks ago discussing my permit needs for our new propane pad installation at our property in Easton. I was fortunate enough that one of the specialists you recommended - GG Environmental LLC (Geoffrey Gray) - was able to come out to our property this past week and survey the area. You can download his report from this link here: [https://netorgft5123302-my.sharepoint.com/:f/g/personal/gg\\_gg-env\\_com/Esfnz6odqShGpArFjGIYFRkBVLuohbiePfw9nFID92IzXg?e=6UNgGo](https://netorgft5123302-my.sharepoint.com/:f/g/personal/gg_gg-env_com/Esfnz6odqShGpArFjGIYFRkBVLuohbiePfw9nFID92IzXg?e=6UNgGo)

Please let me know if you need anything further for this report and what my next steps will be.

All the best  
Patrick Nolan
