COPYRIGHT NOTICE:
These plans and specifications are copyrighted by DTR Design and Consultation Services LLC. (DTR Design and Consultation Services LLC.) and the unauthorized duplication or use of these plans and specifications, whether in whole or in part, is prohibited without the express written permission of DTR Design and Consultation Services LLC. These plans may not be altered, sold or given away without the written permission of DTR Design and Consultation Services LLC.
Visual contact with these plans and specifications shall constitute prima facie evidence of acceptance of these restrictions. Any unauthorized use of these plans and specifications will be subject to legal action, including damages and attorney's fees.
These plans are intended for the construction of only one building and shall not be loaned, given, resold or reused in any manner without the written permission of DTR Design and Consultation Services LLC. Reproduction of these plans and specifications for any purpose whatsoever without the written permission of DTR Design and Consultation Services LLC. is strictly forbidden and any infringement will be subject to legal action, including attorney's fees.
These plans and specifications are not to be changed or copied in any form or manner whatsoever nor are they to be assigned to any third party without first obtaining the express written permission and consent of DTR Design and Consultation Services LLC.
In the event that any changes or modifications are made to these plans and specifications without the written permission and consent of DTR Design and Consultation Services LLC., DTR Design and Consultation Services LLC. shall be relieved from any and all liability that may result from such changes or modifications. DTR Design and Consultation Services LLC. shall also be indemnified by the person or persons making such changes or modifications from any liability that may result therefrom.
It is the responsibility of the owner/builder to review these plans and specifications prior to beginning construction. Any discrepancies found in these plans and specifications shall be reported to DTR Design and Consultation Services LLC. prior to beginning construction. Some modifications may be necessary for compliance with local and state building codes.
