Both the individually sent HPMP link and the attachment to the email appear to be linked to GCPud. So when I click on either one, it takes me to a GCPUD log on screen.

The file sent twice, but when I try to open the document it asks me to log into the GCPUD system.

Thank you,

Good morning Kylee,

Was this email below an additional document that needs to be submitted for the record? It's asking me to create an account in order to view it.

Thank you,
