**TWO PARTY SHARED WELL WATER USERS AGREEMENT**

Well ID Number: AKL 974

Serves Parcel Number: 452836

Lot Number: L1 of EGAN Short Subdivision

Physical Address: 279 IRON MOUNTAIN ROAD 98922

AND

Parcel Number: 452836

Lot Number: L2 of EGAN Short Subdivision

Physical Address: NKA IRON MOUNTAIN ROAD 98922

**Ownership of the Well and Waterworks**

It is agreed by the parties that each of said parties shall be and is hereby granted an undivided one-half interest in and to the use of the well and water system to be constructed. Each party shall be entitled to receive a supply of water for one residential dwelling and shall be furnished a reasonable supply of potable and healthful water for domestic purposes.

**Cost of Water System Construction**

Both parties herein agree to share equally in the cost incurred in well site approval, well construction, and construction and/or installation of the waterworks equipment, the pump house and water distribution pipes, and initial well water quality tests.

**Cost of Maintenance of Water System**

Each party hereto covenants and agrees that they shall equally share the maintenance and operational costs of the well and water system herein described.

**Water Line Easements**

Timothy J EGAN Short PLAT SP-23-00001-Lot L1  
(owner name and parcel #, name of subdivision, and lot number containing the well)

**GRANTS**

Timothy J EGAN Short PLAT SP-23-00001-Lot L2  
(owner name, parcel #, name of subdivision, and lot number adjacent to well)

An easement for the use and purpose of conveying water from the well to the property of  
Timothy J. EGAN Short PLAT SP-23-00001-Lot L2  
(owner name, parcel #, name of subdivision, and lot number adjacent to well).

Said easement shall be five (5) feet in width and shall extend on, over, across, and underneath said strip of land from designated well site to shared property line. No new permanent type of building shall be allowed to be constructed upon the water line easement except as needed for the operation of the well and water system.

**Maintenance and Repair of Pipelines**

All pipelines in the water system shall be maintained so that there will be no leakage or seepage, or other defects which may cause contamination of the water, or injury, or damage to persons or property. Cost of repairing or maintaining common distribution pipelines shall be born equally by both parties. Each party in this agreement shall be responsible for the maintenance, repair, and replacement of pipe supplying water from the common water distribution piping to their own particular dwelling and property. Water pipelines shall not be installed within 10 feet of a septic tank or sewage disposal drain field lines.

**Prohibited Practices**

The parties herein, their heirs, successors and/or assigns, will not construct any potential source of contamination, maintain or suffer to be constructed or maintained upon the said land and within 100 feet of the well herein described, so long as the same is operated to furnish water for two-party domestic use. Any potential source of contamination may include but is not limited to: septic drainfields, sewer lines, underground storage tanks, feed stations and/or grazing animal pens where manure can accumulate, enclosures for maintaining fowl or animal manure, liquid or dry chemical storage, herbicides, insecticides, hazardous waste or garbage of any kind. New structures and/or barns shall meet required setbacks and not harbor any potential source of contamination. The parties will not cross connect any portion or segment of the water system with any other water source or waste water disposal outlet without prior written approval of the Kittitas County Public Health Department and/or other appropriate governmental agency.

**Provisions for Continuation of Water Service**

The parties agree to maintain a continuous flow of water from the well and water system, herein described in accordance with water supply requirements of the State of Washington and Kittitas County. In the event that the quality or quantity of water from the well becomes unsatisfactory the parties shall develop a new source of water. Each undivided interest and/or party shall share equally in the cost of developing the new source of water and installing the necessary equipment associated with the new source.

**Restriction on Furnishing Water to Additional Parties**

It is further agreed by the parties hereto that they shall not furnish water from the well and water system herein above described to any other persons, properties, or dwelling without prior consent of both property owners and written approval from the Kittitas County Public Health Department.

**Restriction on Water Use**

Use restrictions are set at the time of water budget neutral determination and associated with the parcel. The amount of water allowed is recorded on the deed of the parcel and may be monitored and recorded depending on the source of the water rights. Water use for the lots referenced within this agreement are \_\_\_\_\_ acre feet/year for parcel # \_\_\_\_\_ and \_\_\_\_\_ acre feet/year for parcel # \_\_\_\_\_. (Include indoor and outdoor use restrictions).

**Termination of this Agreement**

This agreement may be revoked at any time; however, it may not be revoked without each property obtaining a sufficient acceptable potable water source and prior consent of both property owners. Termination of this agreement shall require the property owners to provide: 1) proof of a notarized revocation of this agreement and 2) proof of the potable water source for each property to the Kittitas County Health Department for review and approval. After, review and approval by the health department the property owners shall then file: 1) the notarized revocation of this agreement and 2) proof of the potable water source approved by the health department for each property at the Kittitas County Auditor's Office as a recorded document that runs with the title of the land.

**Heirs, Successors, and Assigns**

These covenants and agreements shall run with the land and shall be binding on all parties having or acquiring any right, title, or interest in this land described herein or any part hereof and it shall pass to and be for the benefit of each owner thereof.
