Mr. Gasawski:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the submittal and has the following comment:

1. Based on the number of connections (69 parcels with single-family homes), this proposed development will be served by a Group A public water system. As a Group A public water system, the applicant will submittal a water system application to DOH ODW for review and subsequent approval.

If anyone has any questions or concerns, please contact DOH, thanks,
